CAN BE MADE  
EXTRAORDINARY**

**Freedom  
from Slavery**

Exploited girls are offered resources through support at our center and build confidence for an independent life through camaraderie and job training.

### What They do:

Free The Girls is an international 501(c)(3) non-profit organization devoted to coming alongside sex trafficking survivors with a path to true freedom. It's a journey from horrific trauma to reintegrating into the life they were meant to live within their family and community. Their goal for true freedom is measured by economic freedom, different, hopeful future.

Women once enslaved to sex trafficking are now living free and victoriously.

What if you could help bring freedom to survivors of sex trafficking with something surprisingly simple?

THEY exist to help girls rescued from sex trafficking live a life of true freedom.
