

# Wands For Wildlife Recycle & Save Wild Lives

As the Carbon Valley Chapter, Daughters of the American Revolution (DAR) one of our conservation projects is to collect wands for wildlife, a rehabilitation nonprofit in western North Carolina, who recycles old mascara wands to help remove fly eggs and larva from the fur of animals. They work great because the bristles are so close together and gentle to use on the injured and orphaned wild animals receiving care.

We will collect the wands, clean them and send twice a year in October and February.

Check out their website to give donations and for more information:

[www.appalachianwild.org](http://www.appalachianwild.org)

By gathering old mascara wands and donations, you help save wild lives!
